FREE PROSTATE CANCER CHECK

Do you know someone who is male and over 50?

Mr David Baxter-Smith (consultant urologist) has been involved in the organisation of many free prostate screening events. The Lions Club of Henley-on-Thames are organising an evening for men over 50 on Wednesday, 17th September, 2014 at Henley Rugby Club.

- The screening involves the taking of a blood sample by trained phlebotomists which is sent to a hospital laboratory for analysis to determine PSA levels.
- The results will be sent direct to Mr Baxter-Smith for review. Every person tested will be contacted by letter directly from Mr. Baxter-Smith. The letter will give advice on future action.

I WOULD LIKE TO HAVE A BLOOD TEST BY WHICH THE LEVEL OF PROSTATE SPECIFIC ANTIGEN (PSA) AND OTHER MARKERS MAY BE MEASURED. I UNDERSTAND THAT THIS COULD GIVE A DOCTOR SOME INDICATION OF ANY ABNORMALITY WITHIN MY PROSTATE GLAND BUT THAT I MAY ALSO NEED A SIMPLE CLINICAL EXAMINATION CARRIED OUT BY MY DOCTOR. I UNDERSTAND THAT I WILL BE NOTIFIED OF THE RESULT AND ADVISED OF ANY FURTHER ACTION THAT MAY NEED TO BE TAKEN. I UNDERSTAND THAT VERY OCCASIONALLY THE RESULT COULD BE NORMAL EVEN IF MY PROSTATE GLAND IS ABNORMAL AND THAT IF I HAVE TROUBLE PASSING URINE I SHOULD STILL ARRANGE TO SEE MY DOCTOR
