Supporting disabled children & young adults

Be a part of the Chiltern Centre for Disabled Children in a very special way by becoming a Friend.

What We Do

- The Centre is a wonderful, **purpose-built home-from-home** in the heart of Henley-on-Thames.
- Our range of care services gives disabled children and young people aged between 6 – 25 the chance to **get the most out of life**, whilst giving practical support to parents and families caring for a disabled child.

- The Centre provides a **warm, safe and stimulating environment** with a positive and relaxed atmosphere.
- By removing the barriers that many disabled young people face, we enable them to **socialise and enjoy themselves** whilst enjoying a broad range of **leisure and developmental activities** including art, drama and crafts as well as activities to support independence at an appropriate level.

Why We Need Your Support

- Support like yours helps us **retain our dedicated staff**; provides activities for the children; and allows us to bring in fresh ideas.
- The Chiltern Centre is **reliant on the local community** for funding. Investment from committed individuals like you makes up a significant part of this funding. This regular income enables us to plan our specialist care over the longer term.
- All Friends donations to the Chiltern Centre for Disabled Children are normally eligible for **Gift Aid** (except £5 per month 100 Club entry), increasing funding and enabling us to continue to support our young people in a safe and caring environment.
